Sunday January 18.

Tom Carbone has established the fine tradition of bringing metropolitan Detroit the best in news and information on gallery openings and events through thedetroiter.com arts calendar. We salute him and offer him our profound thanks for a job well done and for showing us the way. We at YArts have been organizing a team of Detroiters to continue and to expand that tradition. We look forward to your assistance, input and feedback.

Unearthing a great American City one story at a time

Now in its seventh year, Thedetroiter.com continues to bring readers news, reviews, essays and photography in a critical celebration of Michigan's biggest city.

Print a new calendar every week and check our web site for late additions & details.
